Ready Set Pivot - Bringing Nevada County Small Businesses Online

In response to the immediate and essential need for small businesses to establish an online retail presence, Rebound Nevada County is launching the E-commerce Business Ignitor Course. This course is primarily geared toward local brick-and-mortar retailers who understand that adding online sales is critical to business operations going forward. If you are interested in applying for enrollment, please visit <http://www.sierracommons.org/ignitor> by Thursday, May 14th to begin the process. Classes are held Monday, May 18 through Friday, May 22 from 8:30 a.m. to 10:30 a.m.

Testing

Sanitizer

S Fork Vodka

South Fork Vodka can sell businesses refills. Advise them to keep what pump tops they have or can find- they're very difficult to get right now.

We have half gallons and 1 gallons in cases for refills when they need it. Feel free to share my info with anyone that needs it. They will also have some business kits.
