Items for Discussion

Doggie bag project- donation given of doggie bag containers. Can turn into an art project, will research where can install them. Suggestions were for Mill & Main, Bank & Mill, Neal and Mill, Bus Station.

Cleanliness, street cleaning- will find out about regular cleaning assistance. The City has public works do a blowing of the street, helped look and feel immensely. Without hay bales the issue is pigeon feathers and general refuse. Merchants will continue to clean in front of their storefront per usual.

Planter boxes- staining by Craig Hamilton seems to be approved, will find timeline.

Design standards- regarding shade structures, discussion involved
