

The background of the entire page is a vibrant red. Overlaid on this background are several sprigs of holly. The holly leaves are dark green with prominent, sharp, pointed edges. Interspersed among the leaves are clusters of small, round, bright red berries. Some of the berries are shown in their natural state, while others are depicted as if they have been crushed or are in the process of being crushed, with small white seeds visible. The overall effect is a classic, festive holiday theme.
